Link Graph

Giving you an at-a-glance overview of the type of sites that link to your search. Link Graph shows the network around your best links.

Your Link Graph shows that there are **232** links joining **220** domains, giving a ratio of **1.05** links for each domain.

A ratio near or a little above 1 is usually healthy.

The Link Graph visualization shows a complex network of nodes (domains) and edges (links). A central node is highlighted with a yellow circle. The MAJESTIC logo is at the bottom left.

Link Profile Charts

A good overview of the quality of the pages and domains linking to this site. The Majestic Flow Metrics (Trust Flow and Citation Flow) go hand in hand when determining a site's quality. Most healthy link profiles have a good spread of dots around the 45° axis. Strong dots along or near the Citation Flow axis can suggest some level of links being automatically generated. The strongest links appear in the top right.

Backlink History

This chart shows the number of External Referring URLs reviewed every day. Spikes relate to when Majestic crawls pages, not necessarily when the links are created, although this is a useful indication of creation dates.

Referring Domains

This chart shows the number of Referring Domains reviewed every day. Spikes relate to when Majestic crawls pages, not necessarily when the links are created, although this is a useful indication of creation dates.

Anchor Text

Anchor Text is a phrase used to describe the text that the user sees when they see a link on a web page. It is controlled by the webmaster of the linking page, not by the webmaster of the target property.

How to generate a PDF Report

PDF Reports can be requested through any actions cog across the site as well as the Site Explorer actions menu.

Once requested, your PDF Report will be generated and available to view on your downloads page (you can safely close the dialog and resume working), or it will be shown on the dialog once complete.

This report has been produced for trademetricsupv@gmail.com by Majestic under the terms and conditions set out at <https://majestic.com/support/terms>.

Majestic is a specialist search engine that provides web link intelligence information for SEO and Digital Marketing purposes. This report provides a summary of a web property's strength based on the quantity and quality of links to it from other pages on the internet. A full Majestic analysis allows users to see the underlying links, together with the ability to analyse data for every web property on the internet - including your competitors. Use it to make your web presence stronger.
